

**Newsletter 8 - April 2021**

## **Common Threads approved as NCFE Award Centre!**

Common Threads has been approved by NCFE as an international Award Centre. Approval involves undergoing a comprehensive and thorough review to ensure that an organisation meets a wide range of quality criteria, from management and administration systems to high standards of delivery and assessment.

We will begin offering accredited playwork qualifications in the very near future - make sure you are signed up to our website to receive more details as they are announced!
